

Variations in 2015 Medicaid CNM/CM Reimbursement for Normal Vaginal Delivery (CPT 59400)

How attractive is your state to these high value providers?

- Medicare pays \$2,167. The median Medicaid payment is \$1,410 – just 65% of Medicare’s national payment.
- A midwife in NJ must care for TEN women in order to earn as much as a midwife in MT who cares for ONE.

Source: ACNM review of state Medicaid fee schedules. Some states based on 99213, 59410 and 59430. TN based on reported managed care rates.
