

Maternal Mortality Is Rising in the U.S. As It Declines Elsewhere

Deaths per 100,000 live births

Notes

"Global, regional, and national levels of maternal mortality, 1990–2015: a systematic analysis for the Global Burden of Disease Study 2015," *The Lancet*. Only data for 1990, 2000 and 2015 was made available in the journal.
